CONFIRMATION OF DISCLOSURE & ACKNOWLEDGEMENT OF RISK

Lotus Lake Discovery Center programs offer a variety of activities including active games, team building challenges, ropes course activities, and nature explorations. Some programs may include rigorous physical activity as well as variable weather conditions. Participants should choose their own level of participation.

Although safety is a very high priority, there is a risk which must be assumed by each participant that he or she may suffer a physical or emotional injury.

Prospective participants who are not in good health, who have pre-existing medical conditions, or who have questions about the current state of their health should consult with their physician prior to participating in Lotus Lake Discovery Center programs.

I, _____, hereby certify that I have read and understand the disclosure and acknowledgment of risk.
